September 29, 1926

Miss Sally Peters,
Cragmoor,
Ulster Co., N.Y.

My dear Miss Peters:

I have your letter of September 27th, with enclosure of Inspector Underwood's letter of September 25th to you. I am quite sure it is best to make no response at all to this letter.

In view of the fact that you are coming back to the city on Saturday, I shall make no attempt to write you at length now. Perhaps you could call me on the telephone on Monday, so that we can arrange for a conference.

Sincerely yours,
